HUD COMPLIANT RENEWABLE ENERGY PROCUREMENT

Pure Source Consulting, LLC offers a free and comprehensive RFP service to Public Housing Authorities (PHAs) and LIHTC/RAD property administrators and owners. Our process assists these organizations in obtaining renewable energy agreements that meet the requirements laid out by the U.S Department of Housing & Urban Development (HUD).

HUD funded PHAs receive operating subsidies which cover the cost of their utilities, thus initially making community solar savings a passthrough to HUD, however, when an agreement is properly procured and contains HUD compliant terms and conditions, PHAs can recapture 50% of the annual savings generated by participating in a community solar program.

Our technical service agreement and scope of work has been reviewed by HUD field offices and allows us to act as a housing authority's consultant in procuring HUD compliant agreements that are eligible to increase their annual operating subsidies. Additionally, Pure Source has consulted with NYSERDA and confirmed that PHAs, including their master-metered properties, qualify for the Inclusive Community Solar Adder, if they apply to HUD for the subsidy increase.

Pure Source has been hired by the Hornell Housing Authority (HHA) to assist them in procuring and evaluating community solar agreements. To ensure that our clients reap the maximum benefit from a net-metering subscription, we do not charge a fee to the HHA; Instead, we include a one-time allocation fee in the RFP packet, to be paid by any RFP respondent that is awarded a contract. Our fee includes:

- 1) Assisting Awardee(s) with structuring a HUD compliant subscription agreement.
- 2) Obtaining all the documentation that NYSERDA requires from a PHA, for the Awardee's ICSEA application.
- 3) Assisting the HHA, in the instance that a HUD compliant contract cannot be obtained, and the HHA votes to seek a waiver from HUD.

Pure Source has included its own letters of recommendation from housing clients.

ALBANY HOUSING AUTHORITY

Chiquita D'Arbeau, Executive Director

27 February 2025

To Whom it May Concern:

I am writing this letter on behalf of Chad M. Whittaker, J.D., of Renewables Worldwide and the Founder/CEO of Pure Source Consulting. I am pleased to strongly recommend Chad and the services he provides to public housing authorities looking to enroll in off-site community solar programs.

The Albany Housing Authority's (AHA) team had specific requirements to consider when evaluating these opportunities. Not only did we need to ensure that the agreement we entered into was compliant with HUD's procurement requirements, but we also needed to find a provider that was capable of working around our existing and future redevelopment projects with the willingness to assist our residents to enroll in a community solar program.

Mr. Whittaker diligently worked on our behalf to source opportunities which met our unique needs and negotiated contractual terms on our behalf. His efforts resulted in the AHA obtaining a HUD compliant community solar agreement for the entirety of our portfolio, and with a solar developer that was both capable and willing to work with our tenants and could provide flexibility to accommodate our redevelopment needs

Additionally, Mr. Whittaker worked with our local HUD Field office to ensure that our agreement is eligible for the Rate Reduction Incentive (RRI), which will add 50% of the savings the AHA obtains into our annual operating subsidy. After our enrollment, he remains a resource to our team by fielding HUD-related questions and providing guidance on energy-related matters

I highly recommend Mr. Whittaker to any organization looking to procure community solar savings.

Sincerely,

Tim O'Byrne

To Whom It May Concern:

I write this letter to enthusiastically recommend Chad M. Whittaker, J.D., Owner of Pure Source Consulting, and Consultant on behalf of Renewables Worldwide. Mr. Whittaker's experience and knowledge would greatly benefit any housing authority seeking off-site community solar agreements within their state.

The Boston Housing Authority (BHA) is the largest housing authority in New England and the largest housing provider in Boston, MA. As such, the BHA is always seeking new and innovative ways to cut costs and increase the funding we obtain and services we can provide to our affordable housing residents.

With Mr. Whittaker's guidance and support, we've achieved a sizeable reduction in our electricity costs without installing any equipment on our properties. Thanks to his knowledge of the procurement and energy policy requirements of the U.S. Department of Housing and Urban Development (HUD), the BHA is eligible to have 50% of our obtained savings added into our annual operating subsidy.

Mr. Whittaker conducted a state and federally-compliant RFP on our behalf, and provided the BHA with final recommendations on the value of each potential awardee and how to divide our housing portfolio among them. Additionally, he sourced offers to help the BHA reduce its carbon footprint and comply with the Boston Emissions Reduction & Disclosure Ordinance (BERDO), a local building performance standard.

Mr. Whittaker would be a great asset to any organization seeking to benefit from clean energy programs and he is a strategic, knowledgeable, and trustworthy advisor.

Sincerely,

Joel Wool

Deputy Administrator for Sustainability and Capital Transformation

To Whom it May Concern,

I am writing this letter on behalf of Chad M. Whittaker, J.D., of Pure Source Consulting, with the intent of recommending his services to other Housing Agencies looking to enroll into off-site community solar programs.

The Bangor Housing Authority's (BHA) worked with Mr. Whittaker to procure HUD compliant community solar agreements, as a way of stabilizing our finances and increasing our annual operating subsidy with HUD. Additionally, we wanted to extend the opportunity to any of our tenants that pay their own electric bills.

Mr. Whittaker diligently worked on our behalf to source opportunities which met our unique needs and negotiated contractual terms on our behalf. His efforts resulted in the BHA obtaining two community solar subscription agreements, which cover the entirety of our LIHTC and Public Housing portfolios. Additionally, he represented us with the Region One HUD Field Office and the Office of General Counsel, as we negotiated clauses that needed HUD's approval. After the BHA's enrollment, Mr. Whittaker and his team spent a week at our facilities educating tenants and assisting them in their own enrollment, which allows them to save on their electric costs with no negative impact on their utility allowances. He remains a resource to our team by fielding HUD-related questions and providing guidance on energy-related matters.

I highly recommend Mr. Whittaker to any organization looking to procure community solar savings. His counsel is informative, practical, and educated. Please reach out to me directly at mmyatt@bangorhousing.org and I am happy to provide any additional information and background.

Sincerely,

A handwritten signature in black ink, appearing to read 'm myatt'.

Executive Director

Summary of Public and LIHTC Housing

Public Housing Authorities (PHAs) administer various types of state and federal low-to-moderate (LMI) income housing programs, including Section 9 “Public Housing”, as well as the Housing Choice Voucher (HCV) programs. To qualify for either of these programs, housing authority residents must have an annual income that is either at or below 80% of the Area Median Income (AMI). The purpose of these LMI programs is to provide safe, sanitary, and affordable housing to those that qualify, based on state and federal standards.

Working with PHAs provides several unique benefits to net-metering providers, thus increasing their long-term value to their net-metering partner(s):

- 1) The affordable housing providers’ master-metered accounts as Residential Subscribers for purposes of the NY Inclusive Community Solar Adder (ICSA).
- 2) PHA paid electric accounts may act as long term LMI subscribers, thus eliminating the need to continuously replace tenant paid accounts as they cancel. This has the potential of savings Providers on their long-term acquisition costs.
- 3) Tenant paid utility accounts, in the PHA’s portfolio, are qualified subscribers for Category 4 projects under the Solar Investment Tax Credit (ITC).
- 4) The PHA may work with new tenants to enroll as a part of the moving-in process, thus eliminating the replacement costs for providers when/if individual residential subscribers relocate.

Summary of the Agency

The City of Hornell Housing Authority (HHA) was established in 1966, with the mission of constructing, maintaining, and providing safe, economically efficient, and environmentally friendly affordable rental housing in the City of Hornell, NY. The HHA, and its affiliates, currently provide rental subsidies to 281 households and owns and manages 147 affordable rental units in order to help its community move toward economic self-sufficiency. The HHA administers Section 8 rental assistance, as well as affordable housing units with an income limit of 50% of the Area Median Income (AMI) for Steuben County, NY.

Request for Proposals

The HHA is seeking a qualified provider of bill credits under the New York-Sun Community Solar Program, otherwise known as Community Distributed Generation of Community Solar (CS). The HHA is in NYSEG's electric service territory and consumes an estimated 650,000 kWh annually. This usage comes from 14 individual accounts, all of which serve either low-income multi-unit residential buildings, or mixed-use buildings that contain multiple low-income housing units, and therefore will qualify for the residential designation of the NY Inclusive Community Solar Adder (ICSA).

The HHA can provide documentation, upon request, showing that they are the provider of affordable housing to those who are at or below 80% of the Area Median Income (AMI), as set by HUD and recognized by NYSEDA, as well as utility account numbers for its properties. To be considered for this opportunity, please review, and provide responses to item numbers 1-9 under the section titled "Rating Factor Qualifications and Project Experience", as well as the documents listed in item number 10 of the same section. Thank you in advance for your time and participation.

Women/Minority Owned Businesses and Section 3 Business Concerns

The HHA is an Equal Opportunity Employer and urges Minority and Women-Owned Business Enterprises and Section 3 Business Concerns to participate. This solicitation is covered under Section 3 of the HUD Act of 1968, including the most recent Final Rule Effective November 30, 2020 found in 24 CFR Part 75. That new rule deals with Hours Worked by low-income persons that reside in the project area. You will be required to document the hours worked by your staff on this project. At project completion an estimate of hours worked is appropriate with the amount of Section 3 hours, if applicable.

Mandatory Contractual Terms

By submitting a proposal in response to this RFP, an offeror, if selected for award, shall be deemed to have accepted the terms of this RFP, and any revisions thereto. The Provider may not subcontract any portion of the services provided under this RFP without obtaining the prior written approval of the HHA, which approval the HHA may withhold or condition in its sole and absolute subjective discretion. The HHA shall not be responsible for the fulfillment of the Contractor's obligations to the subcontractors.

Mandatory Clauses Required By HUD

The following “Indemnification Clause” and “Conflict Clause” are required by HUD to be included in the subscription agreement(s)

Indemnification Clause: "It is acknowledged and agreed that the Hornell Housing Authority has no authority to provide guarantees, indemnifications, rights of set-off, or other pledges involving the assets of any Public Housing Project (as the term Project is defined in the Annual Contributions Contract ("ACC") between the HHA and HUD) or other assets of the HHA, including Housing Choice Voucher ("HCV") related assets of the HHA. Accordingly, except as approved by HUD in writing, it is acknowledged that there is no legal right of recourse against: (1) Any Public Housing Project of HHA; (2) Any Operating Receipts (as that the term Operating Receipts is defined in the ACC), HCV receipts or Capital or Operating Funds of HHA; (3) Any Public Housing operating reserve of HHA reflected in HHA's annual operating budget and required under the ACC, or (4) any other asset of the HHA related to the United States Housing Act of 1937, as amended. Should any assets of the HHA be identified at a later date as meeting the criteria set forth above any guarantees, indemnification, rights of set-off, or other pledges involving those assets will be deemed null, void and unenforceable."

Conflict Clause: "To the extent that any of the foregoing conflicts with the requirements of the United States Housing Act of 1937, as amended, federal regulations, and the ACC, as amended, such Federal Public Housing Requirements shall control and govern in such instances of conflict."

Rating Factor Qualifications and Project Experience

When evaluating community solar offers for the HHA, the following items will be considered:

1) Percentage of annual savings being offered.

- a. Please provide savings for 5,10,15, and 20-year initial terms, only if the percentage differs based upon the initial commitment.
- b. Does the provider have the capacity to enroll the entirety of HHA's eligible NYSEG accounts?
- c. The HHA will only consider offers that provide a minimum credit discount of at least 10%.
- d. The HHA can provide account data, upon request, and higher priority will be put on offers that show the estimated annual savings in addition to the bill credit discount percentage.

2) Ability to offer a 5-year contract in accordance with Federal Acquisitions Regulation Part 12.204, and HUD Procurement Handbook 7460.8 REV 2.

- a. Are there renewal provisions which would protect the HHA from decreased savings upon renewal?
- b. Please be advised that any initial term that lasts longer than 5-years may require waivers from the appropriate regulatory agencies. Is the HHA's allocation able to be reserved during this process?

- 3) Ability to offer a cancellation for convenience clause according to HUD-5370-C, Section(3)(a).
 - a. Further consideration will be based upon the length of notice to cancel that the HHA is required to provide.
 - b. Does the provider offer the ability to reduce the annual allocation for re-development of properties, without canceling the agreement in its entirety or penalizing the HHA?
 - c. Does the provider assess a termination fee for early cancellation? If so, please provide an easily calculatable example of how the cancellation fee is assessed. Priority will be placed on responses that do not assess a cancellation fee.
- 4) Ability to incorporate the following HUD forms as addendums to the subscription agreement (all forms are provided as attachments to this solicitation): HUD 5370-C, and Appendix II of the 2 CFR Part 200.
- 5) Ability to incorporate the "Indemnification Clause" and "Conflict Clause", per HUD's requirements, into the terms of the agreement (Language provided on prior page).
- 6) When the estimated Commercial Operation Date (COD) is scheduled for.
 - a. At what stage in the development and interconnection process is the project currently at?
- 7) Whether the provider will invoice the HHA directly or provide Uniform Consolidated Billing (UCB).
- 8) Prior experience of working with low to moderate income residents and housing providers, especially Public Housing Authorities.
- 9) Whether there is a fee based on type of payment. For example, does the provider charge a fee for paying by credit card or check as opposed to paying through the Automated Clearing House (ACH) network?
- 10) Please provide a copy of the subscription agreement(s) and all attestation/estoppel documents which the HHA will be asked to sign, as well as an executed and notarized copy of the attached "Non-Collusive Affidavit".

All provider proposals shall be evaluated on the criteria stated in this RFP in accordance with HUD's Competitive Proposal Procurement method. 4. Explanation to Prospective Offerors

Any prospective offeror desiring an explanation or interpretation of the solicitation, statement of work, etc., must request it in writing soon enough to allow a reply to reach all prospective offerors before the submission of their offers. Oral explanations or instructions given before the award of the contract will not be binding. Any information given to a prospective offeror concerning a solicitation will be furnished promptly to all other prospective offerors as an amendment of the solicitation, if that information is necessary in submitting offers or if the lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractor

(a) The HA shall award a contract only to a responsible prospective contractor who is able to perform successfully under the terms and conditions of the proposed contract. To be determined responsible, a prospective contractor must -

- (1) Have adequate financial resources to perform the contract, or the ability to obtain them;

- (2) Have a satisfactory performance record;
- (3) Have a satisfactory record of integrity and business ethics;
- (4) Have a satisfactory record of compliance with public policy (e.g., Equal Employment Opportunity); and
- (5) Not have been suspended, debarred, or otherwise determined to be ineligible for award of contracts by the Department of Housing and Urban Development or any other agency of the U.S. Government. Current lists of ineligible contractors are available for inspection at the HA/HUD.

(b) Before an offer is considered for award, the offeror may be requested by the HA to submit a statement or other documentation regarding any of the foregoing requirements. Failure by the offeror to provide such additional information may render the offeror ineligible for award.

6. Late Submissions, Modifications, and Withdrawal of Offers

(a) Any offer received at the place designated in the solicitation after the exact time specified for receipt will not be considered unless it is received before award is made and it -

- (1) Was sent by registered or certified mail not later than the fifth calendar day before the date specified for receipt of offers (e.g., an offer submitted in response to a solicitation requiring receipt of offers by the 20th of the month must have been mailed by the 15th);
- (2) Was sent by mail, or if authorized by the solicitation, was sent by telegram or via facsimile, and it is determined by the HA/ HUD that the late receipt was due solely to mishandling by the HA/ HUD after receipt at the HA;
- (3) Was sent by U.S. Postal Service Express Mail Next Day Service - Post Office to Addressee, not later than 5:00 p.m. at the place of mailing two working days prior to the date specified for receipt of proposals. The term "working days" excludes weekends and U.S. Federal holidays; or
- (4) Is the only offer received.

(b) Any modification of an offer, except a modification resulting from the HA's request for "best and final" offer (if this solicitation is a request for proposals), is subject to the same conditions as in subparagraphs (a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final" offer received after the time and date specified in the request will not be considered unless received before award and the late receipt is due solely to mishandling by the HA after receipt at the HA.

(d) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent either by registered or certified mail is the U.S. or Canadian Postal Service postmark both on the envelope or wrapper and on the original receipt from the U.S. or Canadian Postal Service. Both postmarks must show a legible date or the offer, modification, or withdrawal shall be processed as if mailed late. "Postmark" means a printed, stamped, or otherwise placed impression (exclusive of a postage meter machine impression) that is readily identifiable without further action as having been supplied and affixed by employees of the U.S. or Canadian Postal Service on the date of mailing. Therefore, offerors should request the postal clerk to place a hand cancellation bull's-eye postmark on both the receipt and the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the HA is the time/date stamp of HA on the offer wrapper or other documentary evidence of receipt maintained by the HA.

(f) The only acceptable evidence to establish the date of mailing of a late offer, modification, or withdrawal sent by Express Mail Next Day Service-Post Office to Addressee is the date entered by the post office receiving clerk on the "Express Mail Next Day Service-Post Office to Addressee" label and the postmark on both the envelope or wrapper and on the original receipt from the U.S. Postal Service. "Postmark" has the same meaning as defined in paragraph (c) of this provision, excluding postmarks of the Canadian Postal Service. Therefore, offerors should request the postal clerk to place a legible hand cancellation bull's eye postmark on both the receipt and the envelope or wrapper.

(g) Notwithstanding paragraph (a) of this provision, a late modification of an otherwise successful offer that makes its terms more favorable to the HA will be considered at any time it is received and may be accepted.

(h) If this solicitation is a request for proposals, proposals may be withdrawn by written notice, or if authorized by this solicitation, by telegram (including mailgram) or facsimile machine transmission received at any time before award. Proposals may be withdrawn in person by a offeror or its authorized representative if the identity of the person requesting withdrawal is established and the person signs a receipt for the offer before award. If this solicitation is an invitation for bids, bids may be withdrawn at any time prior to bid opening.

7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may

- (1) reject any or all offers if such action is in the HA's interest,
- (2) accept other than the lowest offer,
- (3) waive informalities and minor irregularities in offers received, and (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussions. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written award or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show **the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.**

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to insure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp those envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

Appendix II to Part 200—Contract Provisions for Non-Federal Entity Contracts Under Federal Awards

In addition to other provisions required by the Federal agency or non-Federal entity, all contracts made by the non-Federal entity under the Federal award must contain provisions covering the following, as applicable.

- (A) Contracts for more than the simplified acquisition threshold, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 U.S.C. 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.
- (B) All contracts in excess of \$10,000 must address termination for cause and for convenience by the non-Federal entity including the manner by which it will be effected and the basis for settlement.
- (C) Equal Employment Opportunity. Except as otherwise provided under 41 CFR Part 60, all contracts that meet the definition of “federally assisted construction contract” in 41 CFR Part 60-1.3 must include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, “Equal Employment Opportunity” (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, “Amending Executive Order 11246 Relating to Equal Employment Opportunity,” and implementing regulations at 41 CFR part 60, “Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor.”
- (D) Davis-Bacon Act, as amended (40 U.S.C. 3141-3148). When required by Federal program legislation, all prime construction contracts in excess of \$2,000 awarded by non-Federal entities must include a provision for compliance with the Davis-Bacon Act (40 U.S.C. 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, “Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction”). In accordance with the statute, contractors must be required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determination made by the Secretary of Labor. In addition, contractors must be required to pay wages not less than once a week. The non-Federal entity must place a copy of the current prevailing wage determination issued by the Department of Labor in each solicitation. The decision to award a contract or subcontract must be conditioned upon the acceptance of the wage determination. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency. The contracts must also include a provision for compliance with the Copeland “Anti-Kickback” Act (40 U.S.C. 3145), as supplemented by Department of Labor regulations (29 CFR Part

3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled. The non-Federal entity must report all suspected or reported violations to the Federal awarding agency.

- (E) Contract Work Hours and Safety Standards Act (40 U.S.C. 3701-3708). Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.
- (F) Rights to Inventions Made Under a Contract or Agreement. If the Federal award meets the definition of "funding agreement" under 37 CFR § 401.2 (a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance of experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.
- (G) Clean Air Act (42 U.S.C. 7401-7671q.) and the Federal Water Pollution Control Act (33 U.S.C. 1251-1387), as amended—Contracts and subgrants of amounts in excess of \$150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33 U.S.C. 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).
- (H) Debarment and Suspension (Executive Orders 12549 and 12689)—A contract award (see 2 CFR 180.220) must not be made to parties listed on the governmentwide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR part 1986 Comp., p. 189) and 12689 (3 CFR part 1989 Comp., p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.
- (I) Byrd Anti-Lobbying Amendment (31 U.S.C. 1352)—Contractors that apply or bid for an award exceeding \$100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any

other award covered by 31 U.S.C. 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.
