4. PROGRAM INFORMATION

4.1 HHA's Construct.

The HHA was duly organized in 1967. Its mission is to provide public housing and tenant-based assistance program residents with clean, safe and affordable housing in a non-discriminatory manner. Individuals, families, near elderly and elderly who qualify for low income housing assistance are provided opportunities to achieve self-sufficiency and improve the quality of their lives. HHA creates and maintains partnerships with its residents and appropriate community agencies in order to accomplish this mission.

The HHA's programs are administered at the local level in accordance with state and federal laws. The U.S. Department of Housing and Urban Development (HUD) is authorized to enter into contracts with the HHA for grants and loans to assist the HHA in financing the development and modernization of housing units, and to pay operating subsidies and housing assistance payments to help maintain the operation of its affordable housing programs.

As such the HHA is a non-profit organization and by its statutory formation and definition, is exempt from both federal and state taxation as a government instrumentality under Section 501(c)(1) of the Internal Revenue Code.

It also awards an annual capital fund grant intended to maintain and improve the management and operation of the public housing.

The HHA has 113 units of public housing (across two projects). There are no new developments under construction. There are no urban renewal or community development programs.

4.2.2 Housing Choice Voucher (Section 8).

The Section 8 program is a tenant-based housing assistance program that enables voucher holders to find eligible private housing. Once located and approved, the HHA enters into a contract with the landlord to pay a portion of the voucher holder's rent. HUD obligates Housing Assistance Payments and associated Administrative Fees annually.

The HHA administers 135 vouchers.

4.3 Non-Profit Affiliate.

The Adirondack Housing Development Corporation (AHDC) is a non-profit affiliate of the HHA.
